

# 9th INTERNATIONAL PLASTIC SURGERY COURSE

## VILLA BELLA CLINIC SALO'

Salò, Lake Garda, May 21-25, 2014

### **Friday 23 May 2014**

#### ***ALL ABOUT BREAST AUGMENTATION***

07.30-8.00 **Welcome and instructions** – The mayor, G. Botti and M. Pelle

#### **Morning: live surgery**

08.00-09.00 Breast implants (secondary case) A. Cella

09.00-10.00 Breast implants (sub-mammary approach) M. Nava

10.00-10.30 **Coffee break**

10.30-11.40 Breast implants (peri-areolar approach/poliurethane implant) M. Pelle

11.40-13.00 Breast augmentation with fat grafting only D. Del Vecchio

13.00-14.30 **Lunch at the lake side**

#### **Afternoon: lectures**

#### **IMPLANTS**

14.30-14.45 Breast augmentation: what, when and how – G. Botti

14.45-15.00 Pre-operative planning in breast augmentation with anatomic implants – M. Nava

15.00-15.10 I agree, I don't agree – Comments by A. Grisotti, C. Stan

15.10-15.25 Polyurethane coated implants: advantages and indications – M. Pelle

15.25-15.35 The future: is anything worth considering among new implants? – C. Stan

15.35-15.45 Complications associated with salt-loss macro-texturing – F. Mayo

15.45 -16.00 Q&A

16.00-16.30 **Round table.** (C.Stan, J.L Martin Del Yerro, T.Biggs, A.Marchi, J. Palacin, M.Hamdi, F. Mayo)

1. Still place for round implants?

2. Macro, micro, nano-textured, polyurethane or smooth implants?

3. Big implants. Pros & cons: what limit?

4. How to handle IMF?

5. Displacement, rotation and flipping: can we have control on them?

16.30- 17.00 **Open Coffee break**

#### **DIFFICULT CASES, COMPLICATIONS AND THEIR TREATMENT**

16.30-16.45 Difficult augmentation mastoplasties – E. Muti

16.45-17.00 Horizontal muscle splitting to prevent dynamic breast deformities – M. Pelle

17.00-17.15 Management of the divergent or convergent NAC in breast augmentation – J.L Martin Del Yerro

17.15-17.30 Implant malposition and double bubble: why and what solution? – G. Botti

17.30-17.45 Revisional augmentation mastoplasties – P. Berrino

17.45-17.55 Complications associated with salt-loss macro-texturing – F. Mayo

17.55-18.15 Q&A

#### **BREAST AUGMENTATION WITH FAT GRAFTING**

18.15-18.30 The versatility of fat in breast remodelling – D. Del Vecchio

18.30-18.45 Breast augmentation with fat grafting– T. Biggs

18.45-19.00 Graft augmentation: facts and chats – **A. Marchi**

19.00-19.15 Q&A

20.00-24.00 **Gala dinner in Villa Fiordaliso - La torre, the best restaurant of lake Garda**

## **Saturday 24 May 2014**

### ***ALL ABOUT PEXIES***

#### **Morning: live surgery**

08.30-09.30 Vertical mastopexy with retro-muscular implants - **G. Botti**

09.30-10.30 Peri-areolar mastopexy with retro-muscular implants - **M. Pelle**

10.30-11.00 **Coffee break**

11.00-12.30 Secondary pexy with implants - **J.L. Martin Del Yerro**

12.30-14.30 **Lunch at the lake side**

#### **Afternoon: lectures**

##### **PEXY**

14.30-14.45 Mastopexy without implants – **P.Heden**

14.45-15.00 Mastopexy and implants – **G. Botti**

15.00-15.15 Periareolar mastopexy: technical details – **M. Pelle**

15.15-15.30 PAM (periareolar augmentation mastopexy) to correct small and ptotic breast – **R. Gonzalez**

15.30 -15.50 Q&A

15.50-16.20 **Round table.** (**P.Berrino, D.Del Vecchio, A.Grisotti, R.Gonzalez, P.Heden**)

1. Do you believe in internal hammock to fix parenchyma new position?

2. How short can be a “short scar” mastopexy: still room for T, J or L pexies?

3. Long term outcomes in breast surgery

4. Weird complications

5. Is purse-string periareolar mastopexy a predictable and effective tool?

16.30- 17.00 **Open Coffee break**

##### **ALTERNATIVE PEXY TECHNIQUES AND COMPLICATIONS**

16.20-16.35 Pexy with auto-augmentation - **G. Botti**

16.35-16.50 Augment-pexy with large volume fat grafting: good and bad – **D. Del Vecchio**

16.50-17.05 Augmentation-mastopexy: which are the best implants? – **P. Heden**

17.05 -17.20 Mastopexy and fat injections to the breast: the lipopexy – **A. Grisotti**

17.20-17.35 Composite breast enhancement: implants with inner lifting and fat grafting – **C.Stan**

17.35-17.50 The medial filler flap to fill the upper pole in mastopexies – **R. Gonzalez**

17.50-18.10 Q&A

##### **TUBEROUS BREAST TREATMENT**

18.10-18.25 “Transversal technique” to treat tuberous breast – **J. Palacin**

18.25-18.40 Correction of tuberous breast deformity: my way – **J.L Martin del Yerro**

18.40-18.50 No-implant tuberous breast correction – **P. Berrino**

18.50-19.00 My personal evolution in tuberous breast treatment – **E. Muti**

19.00-19.20 Q&A

19.30-21.00 **Happy hour with aperitif and buffet**

## **Sunday 25 May 2014**

### ***ALL ABOUT BREAST REDUCTIONS***

**Morning: live surgery**

08.00- 09.30 Mastopexy with autoprosthesis - G. Botti

09.30-11.00 Breast reduction with liposuction - C. Botti

11.00-11.30 Coffee break

11.30-13.00 Septum-based reduction mammoplasty - M. Hamdi

13.00-14.30 Lunch at the lake side

**Afternoon: lectures**

**BREAST REDUCTION**

14.30-14.50 Breast shaping and repositioning: what pedicle – M. Hamdi

14.50-15.10 Augmentation-reduction mastoplasty – J.L Martin Del Yerro

15.10-15.30 Complications of breast reduction – G. Botti

15.30-16.00 *Round table.* (E. Muti, J.M. Del Yerro, T. Biggs, A. Marchi, M. Hamdi, A. Grisotti)

1. Choice of pedicle in secondary reduction.
2. Reduction and implants: smart or crazy?
3. Liposuction in breast reduction: convenient or dangerous?
4. How to face a NAC ischemia?
5. Too much or insufficient breast reduction: what happened?

16.00-16.20 How to prepare and give a scientific presentation – T. Biggs

**PROBLEM CASES FROM THE AUDIENCE**

16.20-17.00 Problem cases and their solution (please, bring your problem cases on a thumb drive)

Moderator: T. Biggs

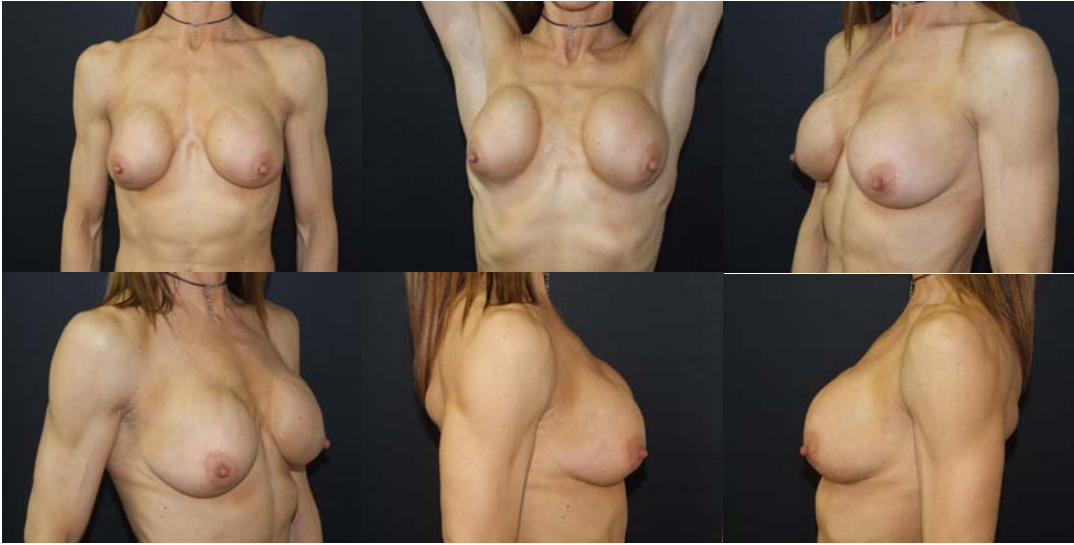

Expert Faculty: P. Berrino, G. Botti, D. Del Vecchio, A. Grisotti, M. Hamdi, A. Marchi, J.L Martin del Yerro, E. Muti, M. Pelle, C. Stan

17.00 **ADJOURN**

***LIVE SURGERY***

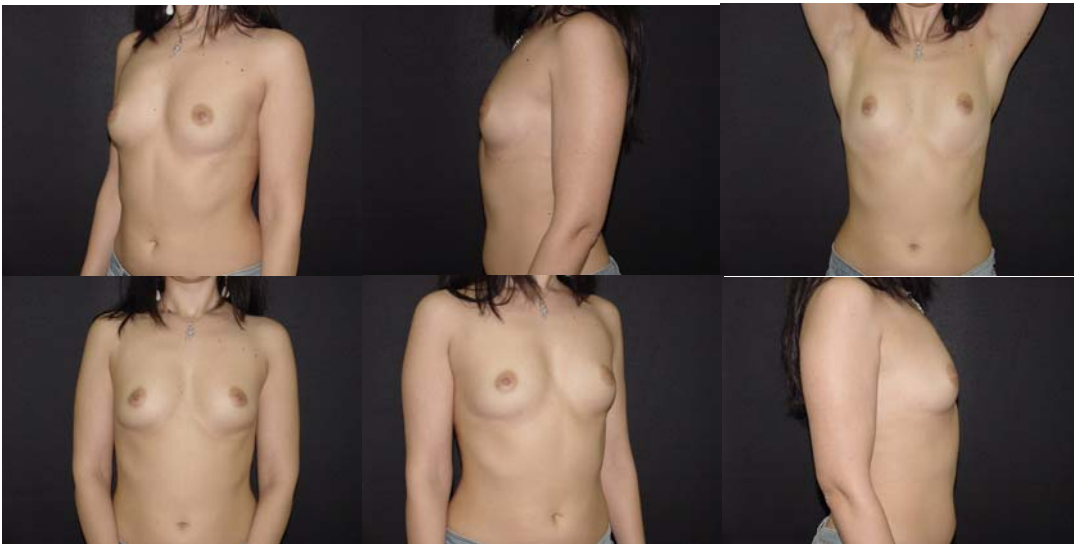

**FRIDAY May 23, h 08.00**

**Secondary breast augmentation (round textured implants) \_ A. Cella**

**FRIDAY May 23, h 09.00**

**Primary breast augmentation (anatomical textured implants) \_ M. Nava**

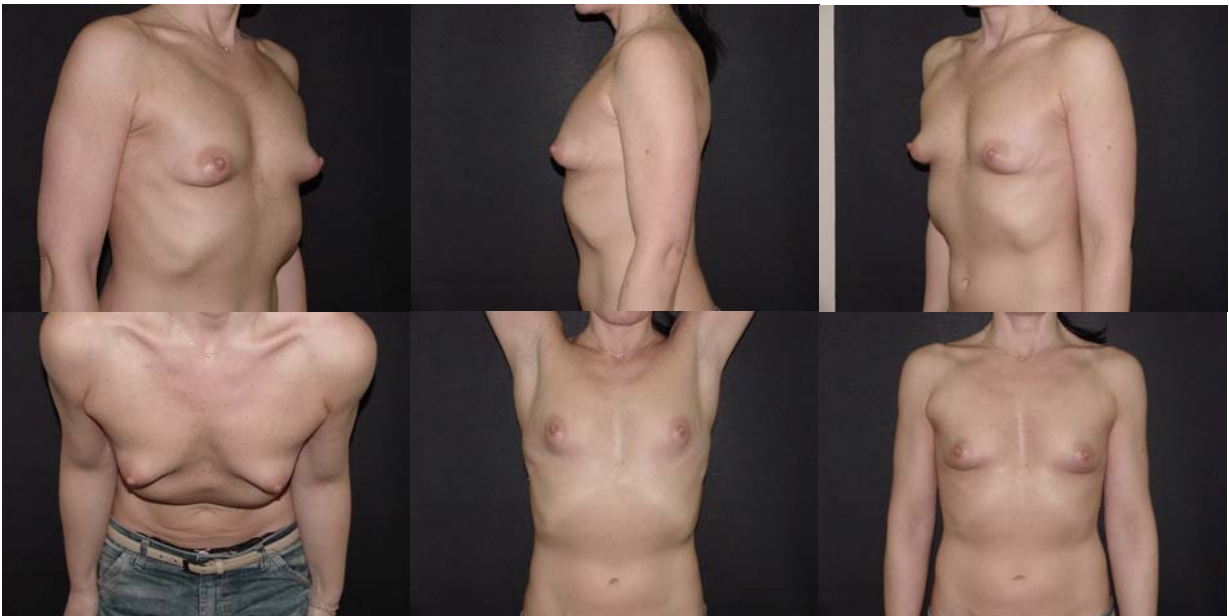

**FRIDAY May 23, h 10.30**

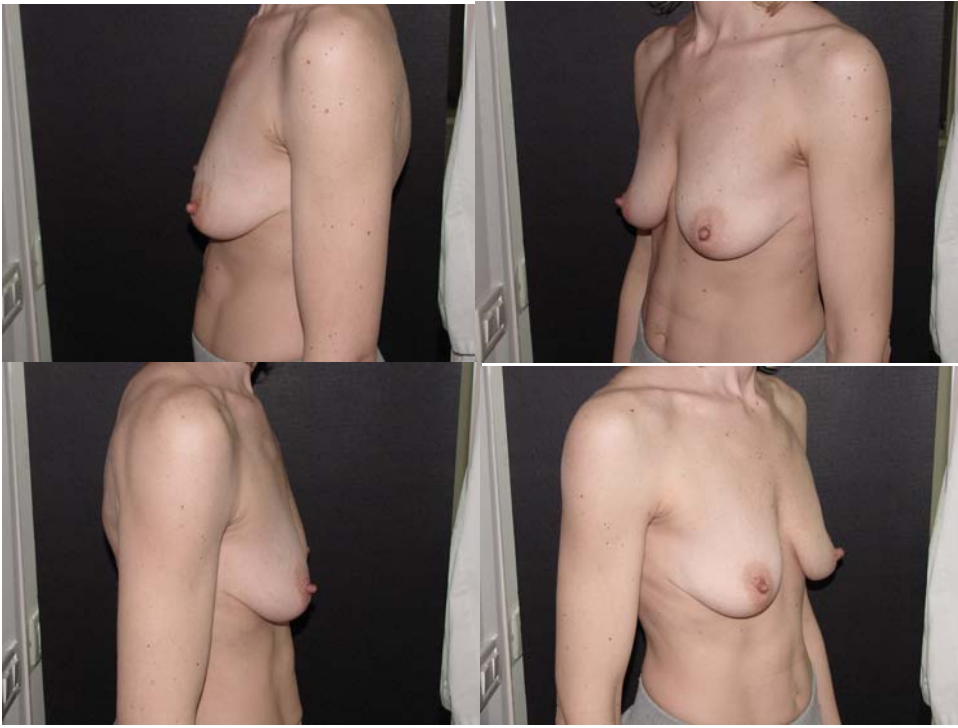

**Primary breast augmentation (polyurethane covered implants) \_ M. Pelle**

**FRIDAY May 23, h 11.40**  
**Breast augmentation with fat grafting \_ D. Del Vecchio**

**SATURDAY May 24, h 08.30**  
**Augmentation-mastopexy (micro-textured round implants) \_ G. Botti**

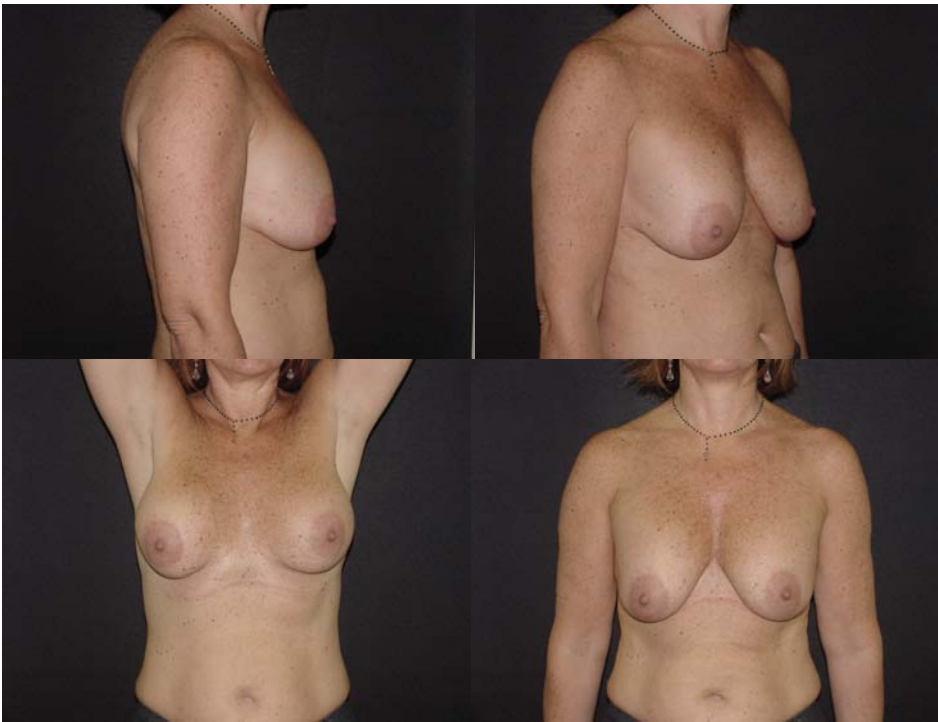

**SATURDAY May 24, h 09.30**

**Augmentation-mastopexy (polyurethane covered implants) \_ M. Pelle**

**SATURDAY May 24, h 11.00**

**Secondary augmentation-mastopexy (textured anatomical or round implants) \_ J.M.Del Yerro**

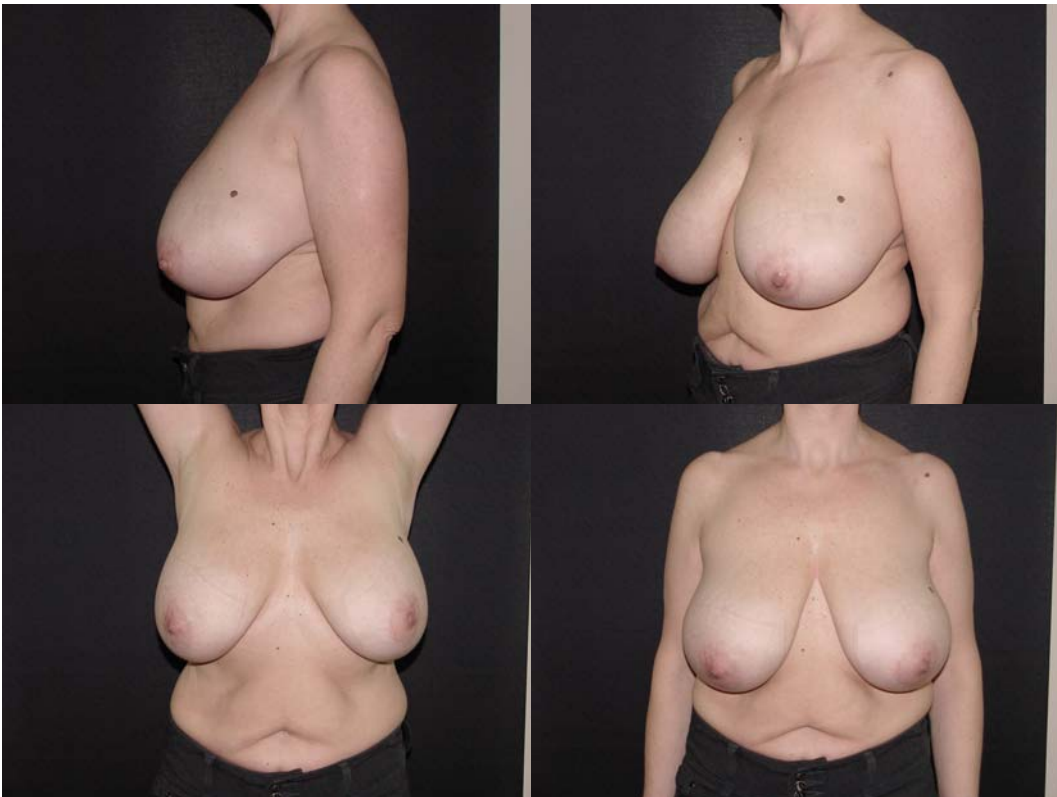

**SUNDAY May 24, h 08.00**  
**Mastopexy with auto-prosthesis \_ G. Botti**

**SUNDAY May 24, h 09.30**  
**Breast reduction with liposuction \_ C. Botti**

**SUNDAY May 24, h 11.00**  
**Septum-based reduction mammoplasty \_ M. Hamdi**
