

WEDNESDAY 22

THURSDAY 23

## SCULPTURE COURSE: HOW TO SHAPE THE FACE (live model)

The surgical sculpture course, led by the well-known Italian sculptor Angiolino Aime, will give each participant the opportunity to create a clay head with his/her own hands. Thanks to this experience, the surgeon will be able to appreciate in detail the three-dimensional aspects of facial features. This course will last two full days.

Faculty: Angiolino Aime & Chiara Botti

THURSDAY 23

## CADAVER DISSECTION COURSE ON EXTENDED DEEP PLANE FACE LIFT

A full day at the cadaver lab in Verona.
